

COST COMPARISON ALARM DIALER

DATA-COMMAND		Total Cost
Data-Command Info-Portal + Cellular		\$45 / month
Data-Command Lynx Hardware (12 Channel)		\$1,600 Non Re-occurring
Health Status		\$0.00 Included in base package
OTHERS		
Phone Line or DS		\$35 / month
Auto Dialer Hardware (8 channel)		\$850 Non Re-occurring
Auto Dialer Hardware (16 channel)		\$2,400 Non Re-occurring
Damage from nonresponsive unit		\$???

Phone lines are quickly becoming obsolete, expensive, and in many cases are no longer supported. Additionally, alarm dialers must be physically programmed with phone numbers to make changes to users. When disconnected from the phone line, they become ineffective.
